the Howard county paper as an independent
candidate for sheriff.

HON. "SUNSET" COX has been nomi-
nated for re-election to congress in the
6th New York district.

The working men's political club,
of Hannibal, at a recent meeting, passed
a resolution repudiating the Sedalia
absolute money plan.

The great wholesale dry goods firm
of Todd, Brown & Co., St. Louis, has
suspended business. Liabilities one
and a half million dollars.

If you want to vote for the best and
most competent men, and for pure
principles, vote the Democratic ticket
straight.

The greenback club of Trenton, in
convention assembled, Saturday
a week ago, refused to endorse the Brick
Pomeroy motion, and adjourned sine
die.

The bond committee of Howard
county has received 20 Tobs and Ne-
cosh bonds for redemption since the

cancelled at the next meeting of the
court at 50 cents of the dollar.

MR. A. N. KELLOGG will please ac-
cept our thanks for a copy of "Kellogg's
Auxiliary Hand-book." It
contains much valuable information,
keeping accounts with advertisers.
It is a great convenience to printers.

If you want to help elect Pollard,
the best way to do it is to go to the
polls on election day and vote for him
straight out, and the next best way is
to vote for Judge Broadbent, the third-
party man. If you want a Greenback
representative in the next congress,
from this district, vote for G. F. Roth-
well and you will have a congressman
whose views are sound, and whose cour-
age and ability will be sufficient to up-
hold your cause.

This is a free country and every
man has the right to vote just as he
pleases, but we hope no Democrat in
this county will be pleased to assist
the hard-money Republicans in re-
electing their candidate to congress by
failing into the cut-off movement. The
Greenback movement in Chariton
county simply means a reduction of
the Democratic majority here, so as
to let the other man in. It is possible
that any voter who desires more and
better money will fail to see it.

OUR readers will regret to lose
"Jake" as a correspondent to the Cou-
rier. Mr. Ford has made one of the
very best reporters we have ever
known. He gave a most interesting
array of news every week, written in
the most spicy and concise manner,
and his jokes, which were always well
pointed, were ever conch in the
most gentlemanly and courteous lan-
guage. We are under lasting obliga-
tions to him for his many favors to the
Courier, and should be glad to leave this
county, as he at present contemplates,
or wherever he may be, the Courier
sincerely wishes him unbounded pros-
perity and happiness, and may he soon
again enlist as a correspondent of the
Courier, as we are sure the desire of
its readers.

TO GREENBACK VOTERS.

There are a few practical
questions which we desire to present
to the candid and careful considera-
tion of every Democrat who has joined
the Greenback party in Chariton
county.

In the first place we will assume
that the Democratic majority in this
county is so large, that no reasonable
man expects a defeat of the local tick-
et. The only possible result which
the Greenback movement can have in
this county, will be to impair in some
degree the success of Mr. Rothwell,
the Democratic candidate for congress
in the 10th congressional district, and
Mr. Mackay, the Democratic candi-
date for state senator in the 6th cen-
satorial district.

The leaders of the Republican party
in this county are men of the most
pronounced views in favor of hard
money, specie resumption &c., and
their party is directly and positively
pledged against every principle of the
Greenback party, yet at the same time
they are actively laboring and scheming
to strengthen the Greenback ticket in
this county, and to keep the
Greenback ticket in the field.

Now we appeal to every Greenback
voter, regardless of past political affil-
iations, who is disposed to be honest
enough with himself to make choice of
the best means to secure the important
benefits for which they clamor, to look
the situation squarely in the face. Do
not be deceived by the appearance of
things, but examine carefully for your-
self and learn the facts as they are.

Mr. Rothwell has addressed the
people of this county several times
during this season, both before and
since his nomination, and all soft-mo-
ney Democrats and Greenbackers have
expressed themselves well pleased with
his views and arguments. In fact he
has been regarded by many as being a
long ways in advance of the
tactics of the Democratic party on the
financial question. That being true,
will any Greenback voter hesitate a
moment in determining why it is that
the hard money Republicans are so ex-
ceedingly anxious in the support of the
Greenback party in this county? Is it
not plain to be seen and understood
that they are impelled by the hope of
so dividing and scattering the vote of
this county, by means of the green-
back movement, as to enable them to
re-elect a hard money Republican?

We believe that every greenback
voter desires to avoid any such a result,
and we do earnestly hope that every
such man will weigh well his course
before he acts, for afterwards it will
be late to remedy its effects.

In our judgment the contest is now
between Rothwell and Pollard; we
don't think it possible for Broadbent
to be elected. If we are correct in our
judgment, then the plain and impar-
tial duty of every voter who desires
to break the power of the hard money
combinations of this country, is to vote
for Rothwell who possesses the will
and the ability to labor efficiently to
that end.
